1. (a) Effective January 1, 2012, the District will provide a choice of benefits to eligible employees under a cafeteria plan hereinafter referred to as a "Flexible Benefits Plan."
- (b) Full-Time Eligible Employees: A full-time eligible employee is defined as a non-temporary employee who is in a regular established position and works six (6) or more hours per day.
- (c) Part-Time Eligible Employees (who are in an active eligible part-time position as of December 31, 2011) A part-time eligible employee is defined as a non-temporary employee who is in a regularly established position and works four (4) or more but less than six (6) hours per day. [For those in the CTA bargaining unit, part-time is defined as those who work at least three and three quarters (3.75) hours, but less than six (6) hours per day.] For the purposes of benefit eligibility an employee must be in an active paid part-time position that meets these requirements on December 31, 2011.

Any employee who is hired or rehired into a part-time position or transfers from a full-time into a part-time position on or after January 1, 2012, will not be eligible under this definition, except for those in the CTA bargaining group.

2. (a) Within the Flexible Benefits Plan, the District shall make available to each eligible employee an option of medical health plans. Such medical plans shall consist of a High Option Health Maintenance Organization (HMO) Plan, a Low Option HMO Plan and a Consumer Driven Health Plan (CDHP). Beginning January 1, 2014, employees newly eligible for insurance coverage will be limited to the Low Option HMO Plan or the CDHP for the first twelve (12) months of active eligible employment. Thereafter, any changes they may elect in medical plans will be effective the first day of the plan year occurring at least twelve (12) months after the date they became eligible for insurance coverage.

District for eligible employees in the following amounts:

- ▶ \$20,000 face value for full-time eligible employees.
- ▶ \$10,000 face value for part-time eligible employees.

The Term Life Policy will include equal amounts of Accidental Death and Dismemberment (AD&D) coverage and will provide an employee a conversion right to an individual whole life policy directly with the life insurance carrier without the need for a physical examination if the employee ends his or her employment with the District. No other continuation or portability plans will be offered.

Eligible employees will be able to purchase additional term life and AD&D insurance if they enroll within thirty (30) days of their first date of hire at the same rates the Board pays in \$20,000 increments, up to \$100,000 or five (5) times their annual salary, whichever is less.

Employees who avail themselves of this option may also enroll their non-disabled spouse with one-half (1/2) the face value of the additional insurance the employee has opted to purchase. Such spousal coverage includes AD&D and may only be purchased in \$10,000 increments. If an employee's spouse is also an eligible employee, the employee is not eligible to purchase spouse optional life or AD&D and only one of the eligible employees may purchase term life for their dependent children.

Employees who purchase additional term life insurance may also purchase coverage without AD&D for their non-disabled dependent children, who are under the age nineteen (19) or under age twenty-five (25) if the child is a student. Such dependent coverage will have two options:

- ▶ \$5,000 coverage on all dependent children over six (6) months of age, or
- ▶ \$10,000 coverage on all dependent children over six (6) months of age.

All voluntary purchased coverage will be paid through payroll deduction and no medical questionnaire or physical exam need to be taken if the eligible employee enrolls within the first thirty (30) days of employment and for less than \$100,000 coverage. Rates for optional employee coverage will not be more than the rates that the District pays for the basic coverage described above.

Term life insurance coverage in excess of \$100,000 and enrollment during annual enrollment periods will require satisfactory proof of insurability by the insurance carrier.

**ARTICLE 13 - HEALTH, LIFE, DENTAL AND VISION INSURANCE BENEFITS (cont'd)**

- (e) CLAIMS ADMINISTRATION: An employee will be required to comply with any and all rules and regulations and/or limitations established by the carrier or applicable third party administrator and contained in the policy, and employees and their dependents shall look solely to such carrier or third party administration for the adjudication of the payment of any and all benefits claims.
  
- 3. The District has established a retirement program under IRS Code Section that defers taxation until retirement or other severance from employment and permits the employee to forfeit and allow the District to contribute each year all of his/her benefit dollars to this retirement plan. This program is called the Special Retirement Plan. At the option of the District, additional contributions may also be made by the District. Any contributions to the Special Retirement Plan shall be made as an employer contribution to such eligible retirement program. Account values under this Plan shall be available to the employee only as permitted under, and in accordance with applicable Federal and Internal Revenue Service regulations governing such programs.
  
- 4. Contributions by the District to the Special Retirement Plan will not be considered for the purpose of computing overtime.
  
- 5. Effective January 1, 2014 and thereafter, those eligible employees who elect not to participate, as an employee or dependent, in any of the Medical Plans (High Option HMO, Low Option HMO or CDHP), and who complete an online election form indicating other medical coverage, will receive contributions to the Special Retirement Plan as follows:

Employees shall be entitled to transfer sick leave credit from other Florida School Systems and State Agencies which are participants in any of the Florida Retirement System plans with the restriction that at least one-half (½) of the cumulative leave shall be established within this School District.

7. Sick leave claims shall be honored as submitted by the employee for personal illness, as well as illness or death of father, mother, brother, sister, husband, wife, child or other close relative, or member of the employee's own household.

8. Sick leave without pay may be granted for employees who have used all accumulated sick leave, but who would otherwise qualify for sick leave.

9. The Superintendent may require a doctor's statement of verification of illness. A request to the Superintendent for a verification of claim may be initiated by the Principal or Chief of Police.

10. A false claim for sick leave shall be grounds for dismissal by the School District.

11. Personnel shall receive a terminal retirement benefit for unused sick leave. An employee who retires or whose employment is terminated by death shall receive payment for accrued sick leave days at their daily rate at the time of retirement, multiplied by the maximum percentage provided for by the Florida Statutes.

12. The Parties agree that the following provisions will govern the Transfer of Sick Leave to Another Officer:

As permitted by FS 1012.61 Section 1, Subsection (2), paragraph (e) a regular full-time Officer may donate unused accrued sick leave, in increments of eight (8) hours to another regular full-time Officer to use as sick leave for either the recipient Officer's serious illness that prevents the Officer from performing his/her work duties/responsibilities or a recipient Officer's serious physical injury that prevents that Officer from performing his/her work duties/responsibilities. Transferred sick leave may not be used as paid personal leave for personal reasons pursuant to Section A above.

## 18.2 - PAID LEAVES (cont'd)

### B. Sick Leave (cont'd)

To be eligible to receive donated sick leave:

- a. The serious ill or injured Officer must submit documentation to the Chief of Police signed by his/her treating physician that the Officer's serious illness or serious injury prevents the Officer from performing his/her work duties/responsibilities. Such documentation must include an approximate date when the Officer will be able to return to work and resume all of his/her work duties/responsibilities.
- b. Upon receipt of a request from the Chief of Police or his/her designee for updated documentation, including a revised date on which the Officer will be able to return to work, the Officer is required and will promptly see that all necessary steps are taken to obtain such required updated documentation, along with the revised return to duty date, and that such documentation is signed by the treating physician and promptly submitted to the Chief of Police or his/her designee.
- c. The prospective recipient Officer must have had a minimum of eight (8) earned, accumulated and unused sick leave hours at the time of illness or injury.

The following provisions will govern the transfer of sick leave days:

- a. The Officer donating his/her earned and unused sick leave will use form PBSO 2175 found on the District's website.
- b. A regular full-time Officer with an accumulation of at least forty-eight (48) hours of earned and unused sick leave may donate sick leave hours pursuant to this provision to any eligible full-time Officer regardless of that Officer's tenure with the School Police Department.
- c. A donating Officer may not donate sick leave hours in a number that would lower his/her own accumulation of earned sick leave to below forty (40) hours.
- d. Such donated sick leave shall be processed using the above-mentioned District form that is completed, signed, notarized and timely submitted by the donor Officer.

The donated sick leave shall not be accessible or transferred to the recipient Officer until his/her own sick leave is exhausted. Once the recipient's own sick leave is exhausted, the donors' leave shall be transferred to the recipient. Donated sick leave hours are to be used on a go forward basis and are not applied retroactively to the recipient's accrual. Once transferred, such donated leave is no longer a part of the donor's accrued sick leave and it may never be returned to the donor except as provided in g. below.

## 18.2 - PAID LEAVES (cont'd)

### B. Sick Leave (cont'd)

- e. Donated sick leave shall have no terminal value to the recipient, but may have terminal value to the donor if any such sick leave hours are returned to the donor's accumulation, but only as provided in g. below.
- f. If sick leave is donated, but not yet transferred to the intended recipient and it is determined the recipient either does not meet the eligibility requirements to receive such donations as set forth in this Section or is no longer in need of such donated sick leave, such sick leave will not be transferred and will remain a part of the donor's sick leave accumulation.
- g. In such instances, any completed, signed, notarized and submitted forms PBSO 2175 will be deemed void and be of no further use. In the event sick leave hours have been transferred to the recipient, but it is determined the recipient is no longer eligible to use donated sick leave hours, the number of donated, but unused sick leave hours will be transferred from the recipient's accumulation and returned to the respective donors in as equitable manner as possible as determined by the District. If a donor is no longer an employee of the School District, any sick leave hours that would have been returned to such donor(s) are waived/eliminated and may not be used for any purpose whatsoever by the donor, by the recipient, by anyone else, by the District or by PBA.

### C. Catastrophic Illness or Injury Leave

- 1. A catastrophic illness or injury shall be defined as a medical condition not covered by Worker's Compensation requiring absence from work greater than fifty (50) working days of consecutive absence for a single illness or injury.

An employee who sustains a catastrophic illness or injury may apply for and receive, for use on a matching basis, supplementary catastrophic illness or injury leave not to exceed the number of regular, unused sick leave days that the employee had accumulated on the first day of the regular sick leave applied to the catastrophic illness or injury.
- 3. Two (2) medical verifications of such catastrophic illness or injury shall be required. Employees shall fully cooperate with the Board and shall authorize the release of any medical records necessary. The Board shall satisfy itself that any claim for catastrophic illness or injury leave is legitimate and correctly states the facts. 1. An employee who is injured in-the-line-of-duty may be entitled to a maximum of ten (10) non-cumulative leave days which shall not be charged against the employee's sick leave balance. All claims for such leave must clearly substantiate an injury received in carrying out assigned duties. Additionally, such paid leave shall only be awarded for the duty days for which the employee has been employed.
  - a. Leave will not be payable under this section if the injury occurs while the employee is intoxicated, or; while under the influence of any narcotic drug, barbiturates, or other stimulus not prescribed by a physician, to such extent as to deprive the employee of normal faculties to drive, be in actual physical control of, or operate, while on duty, any automobile, truck, or other vehicle, and the injury is caused primarily by the intoxication of the employee.

Full-pay status shall be granted only after submission to the employing agency's head of a medical report which gives a current diagnosis of the employee's recovery and ability to return to work. In no case shall the employee's salary and workers' compensation benefits exceed the amount of the employee's regular salary requirements.

## 18.2 - PAID LEAVES (cont'd)

2. When an employee can clearly demonstrate that the contracting of a disease was from the school center or department to which assigned, then the employee may qualify for a maximum ten (10) days of non-cumulative illness in-line-of-duty leave.

An absence for illness in-line-of-duty leave may be granted when the employee can clearly demonstrate the contracting of an infectious or contagious disease at the work location for which inoculations are not available and exclusive of upper respiratory infections or complications therefrom. Common colds, influenza, or other illnesses common to the public are not to be considered as illness in-line-of-duty.

Further, this contagious disease must be exclusive of upper respiratory infections or complications therefrom and must be one for which inoculations are not available. The School District agrees to provide inoculations for Hepatitis A and B, and for AIDS, when available.

3. In cases of unusual illness or injury in the line-of-duty, and employee may make a request to the Superintendent for additional compensated leave days. If the Superintendent is satisfied that the condition warrants, additional leave days shall be authorized.
4. An employee who has claim for compensation while absent because of illness contracted or injury incurred as prescribed herein shall notify the Principal and Chief of Police as soon as such illness or injury is apparent and shall file a claim by the end of each month or pay period as requested during which such absence has occurred. The School District shall satisfy itself that the claim correctly states the facts and that such claim is entitled to payment. If the Chief of Police determines the Department can temporarily accommodate the employee returning to duty with these light-duty restrictions, the employee will return to duty under those restrictions.

- a. The Parties agree that effective January 1, 2014, the maximum Hourly Pay Rate on the Minimum-Maximum Hourly Pay Rate Schedule (Appendix A-2) will be increased 4.0% and the minimum Hourly Rate will not be increased. This amended Minimum-Maximum Hourly Rate Pay Schedule is attached as Appendix A. After retroactively increasing their annual base salary by \$866 effective back to January 1, 2014 of seven (7) Officers who completed their probationary period on or between 7/12/2007 and 10/18/2007, the hourly rate of pay of each Officer who remains an employee of the District on the date the School Board adopts this Agreement will be increased by 4% retroactive to January 1, 2014. Those individuals who are no longer employees of the District on the date the School Board adopts this Agreement are not entitled to any retroactive pay.
- b. The Parties agree that the Minimum-Maximum Schedule in Appendix A is not subject to further modification or change until January 1, 2015 as agreed to in the Duration of Agreement provision of this Contract, and further agree that future modifications or changes to Appendix A and/or the hourly rates on that Schedule will be effective January 1, of any given year unless otherwise agreed to by the Parties.

and then, if necessary, to the Chief of Police for a final determination. The Parties agree that any appeal will be limited to the failure of the evaluator to have followed evaluation procedures, criteria and/or forms. The judgments and conclusions of the evaluator are not appealable and no evaluation issue may be processed through the Grievance Procedure contained in this Collective Bargaining Agreement. The decision of the Chief of Police on any evaluation appeal is final.

- 20.6** If a bargaining unit member is going to receive at least one “Not Acceptable” rating on his/her annual Performance Based Evaluation, the member shall be given notice at least sixty (60) calendar days prior to the completion of the employee’s annual evaluation. If the bargaining unit member’s performance continues to be “Not Acceptable” in one or more evaluation categories and the member receives an overall unsatisfactory annual performance evaluation at the end of the school year, said member will not be eligible to receive a step increase for the following school year should there be an agreement to provide step increases that year. In addition, said member will not be eligible to receive any negotiated increase to the salary schedule for the following school year, should there be an agreement to increase the salary schedule that year. One “Not Acceptable” rating on any of the evaluation indicators at the end of a school year annual evaluation constitutes an overall unsatisfactory annual performance evaluation rating.

## **20.7 – THE NEW PERFORMANCE-BASED PAY PLAN (Effective for the 2013-2014 School Year)**

- a. Bargaining unit members, upon completion of their sixth (6<sup>th</sup>) or more years of continuous service with the District who achieve a score of 165 or higher on the District’s Performance Based Evaluation Instrument with no areas rated as “Not Acceptable” the previous fiscal year, are eligible to receive a Performance-Based Pay stipend on or about December 1 of the fiscal year following the attainment of the score of 165 or higher. The employee must remain an employee of the District through December 1 of the fiscal year following the attainment of the score of 165 or higher to maintain his/her eligibility to receive the Performance Pay stipend. The Parties agree and understand that becoming eligible for the Performance Pay stipend is contingent each year on the employee’s completion of six (6) or more years of continuous service with the District, achieving a score of 165 or higher and having no area rated as “Not Acceptable” on his/her annual Performance-Based Evaluation form and remaining an employee through December 1 of the fiscal year following the attainment of the score of 165 or higher. In addition, it is understood that the Chief of Police or designee may establish one of the three goals that are to be attained by the employee as set forth in the Performance Based Evaluation Instrument during any years the Performance Based Pay Plan is in effect.

## **20.7 – THE NEW PERFORMANCE-BASED PAY PLAN (cont'd)**

- b. The amount of the Performance-Based Pay stipend that is paid to each eligible employee will vary each year based on the total number of bargaining unit members who are eligible to receive a Performance-Based Pay stipend that fiscal year. The number of eligible employees each year will be divided into the District-s Performance-Based Pay amount on one-hundred thousand dollars (\$100,000) each December.
- c. While each eligible employee is required to have all legally mandated deductions made from his/her Performance-Based Pay stipend, the District assumes all responsibility for making all additional legal payments and these additional payments will be made in addition to the one hundred thousand dollars (\$100,00) set aside annually to pay these Performance-Based Pay stipends.

## **20.8 - PAYROLL SCHEDULE**

The District, after giving prior written notice to the Association and to employees in the Association's bargaining unit, may implement the provisions contained in paragraphs a., b. and/or c. below either separately or together. When provisions of paragraph a. are implemented, they will replace the 24 payroll schedule procedures now in effect.

- a. The District may implement a 26 equal pay payroll schedule for employees who work a 12 month calendar with paychecks electronically deposited every other Friday in the employee's choice of a financial institution beginning on a Friday selected by the District. If a Friday pay date falls on a non-duty day, the paycheck will be electronically deposited the last preceding duty day. Employees who work less than a 12 month calendar may have their payroll checks electronically deposited every other Friday, but proportionately on fewer than 26 Fridays.
- b. The District may implement a paperless payroll whereas employees will not receive a paper pay stub, but will be able to access payroll stub and other payroll information by going to a District website location and, after entering their personal password, be able to view and retrieve their individual payroll information as well as being able to view and make some payroll information changes on-line such as the employee's W-2 Form.
- c. The Chief of Police may implement a new attendance/payroll tracking system for Department employees to comply with any District implemented system. The Chief of Police will confer with PBA representatives prior to implementing any such system.

## **20.8 - PAYROLL SCHEDULE (cont'd)**

The Association is invited to appoint two (2) representatives to provide input on topics that will be addressed by the District's *ad hoc* Payroll Advisory Committee. One topic of the *ad hoc* Payroll Advisory Committee will be to make an annual recommendation to the Chief Operating Officer of the first Friday paycheck date of each school year for employees who are less than 12 month employees. To that end, such Association representatives will be provided a TDE at District expense to attend meetings of this Committee when such meetings are scheduled during regular duty hours.

Notwithstanding the above provisions, in the event the District determines it is in its interests or is required by law, regulation, court order and/or the settlement of a legal suit, to establish a pay program that pays hourly paid employees for actual hours worked and for all over-time earned during each two-week pay period within one week of the end of each pay period, the Parties agree that such a pay program may be implemented by the District after giving the Association reasonable advanced written notice.

## **20.9 - ADVANCED DEGREE PAY**

Bargaining unit members shall be eligible for Advanced Degree Pay for a Master or Doctorate degree in Criminal Justice, Criminology, Public Administration, Police Administration or a related advanced degree approved by the Chief of Police, conferred by an accredited college or university.

Master's Degree	\$2,000
Doctorate Degree	\$4,000

## **20.10 - EVALUATIONS**

The Parties continue to agree and understand that the Performance Based Evaluation Instrument for Officers is not a part of this Agreement and that all appeals of an Officer's annual evaluation based on the District's Performance Based Evaluation Instrument will be made to the Officer's evaluator and then, if necessary, to the Chief of Police for a final determination. The Parties also agree that any appeal will be limited to the failure of the evaluator to have followed evaluation procedures, criteria and/or forms. The judgments and conclusions of the evaluator are not subject to appeal and no evaluation issue may be processed through the Grievance Procedure contained in this Collective Bargaining Agreement. The decision of the Chief of Police on any appeal is final.

**20.11 - GLADES AREA SUPPLEMENT**

1. Effective January 3, 2009, an Officer permanently assigned full-time to the Glades Area will be paid an annual supplement as follows:

2 – 8 year	\$4,500.00
9 + years	\$5,500.00

Such Supplement will be prorated based on the Officer’s work year and the date he/she became eligible to receive the Glades Supplement.

2. Payment of the Glades Supplement shall be effective for an Officer at the beginning of the next pay period following the effective date the Officer was permanently assigned to the Glades Area and shall terminate when the Officer is no longer assigned to the Glades Area.
3. An officer temporarily assigned to the Glades Area shall be considered to be permanently assigned for purposes of being eligible for this Glades Supplement after he/she has been temporarily assigned for at least a period of twenty (20) continuous work days and shall be paid the Glades Supplement effective at the beginning of the pay period commencing immediately after being temporarily assigned to the Glades Area.

- An Officer meeting and maintaining the above listed qualifications is eligible to sit for a promotional examination when it is next administered. The testing location and date will be announced at least forty-five (45) calendar days prior to the testing date. The District will provide a list of the areas that the examination will cover and will also provide a list of the resources from which the examination was drawn. For this purpose, the District will only use job related promotional examinations.
- Those receiving a score of at least 80% on the examination will be considered to “candidates” for the Special Duty Assignment of Sergeant.
- A candidate maintains his/her eligibility to interview for the Supplemental Special Duty Assignment of Sergeant for up to 24 months from the date he/she was most recently considered to be a candidate. Thereafter, an Officer must sit for an examination and receive a score of at least 80% to continue to be a candidate or to become a candidate again should the 24-month period expire before the Officer had the opportunity to take an exam again.
- When there is a need to assign an Officer to fill the supplemental Special Duty Assignment of Sergeant as determined by the Chief of Police, the supplemental position will be advertised internally and candidates at that time who wish to interview may do so before an oral interview panel comprised of Department Command Officers selected by the Chief of Police and at least one (1) non-District law enforcement person selected by the Chief of Police. The oral interview panel will rank the candidates who participate in these oral interviews from highest to lowest.

### c. Selection Process:

- The Chief of Police may delay naming a candidate to assume the responsibilities of the supplemental Special Duty Assignment of Sergeant with respect to any candidate who is the subject of an active criminal or internal investigation.

## ARTICLE 26 - GRIEVANCE AND ARBITRATION PROCEDURE

### 26.1 GRIEVANCE PROCEDURE

In a mutual effort to provide harmonious relations between the Parties to this Agreement, it is agreed to and understood by both Parties that there shall be a procedure in this Department for the resolution of grievances or misunderstandings between the Parties arising from the applications or interpretation of this Agreement as follows:

**A.**        **STEP 1:** The aggrieved employee, with or without the Union Representative, shall discuss the problem or dispute concerning the Agreement with the immediate supervisor within ten (10) working days of the occurrence or employee's knowledge of the occurrence resulting in the problem or dispute. The supervisor has ten (10) working days after the discussion with the employee to resolve the problem/concern.

**STEP 2:** If, after informal discussions with the immediate Supervisor, the problem has not been resolved, the grievant and/or PBA may elect to file a grievance with the Chief of Police, by completing the attached Grievance Form, signed by the grievant and/or a PBA representative, stating the specific Article, Section, and language of this Agreement that is alleged to have been violated, misinterpreted, or misapplied. The properly completed and signed Grievance Form must be submitted to the Chief of Police within ten (10) working days of the date on which informal discussions took place with the immediate supervisor. The Chief of Police will have ten (10) working days of receipt of the Grievance Form to reconsider or notify the Grievant and the PBA of the decision

**STEP 3:** If the grievance has not been satisfactorily resolved at Step Two, using the Grievance Form, the employee and/or PBA may appeal the grievance to the Director of Labor Relations within ten (10) working days after the Chief of Police's response is due. Using the Grievance Form, the Director of Labor Relations shall respond within ten (10) working days to the grievant and PBA.

1. Failure to observe the time limits for submission of a grievance, at any Step, will automatically result in the grievance being considered abandoned. Failure to respond to a grievance within the prescribed time limits will automatically move the grievance to the next step.
2. The Parties acknowledge that, as a principle of interpretation, employees are obligated to work as directed while grievances are pending.
3. All responses required in Steps Two and Three above shall be directed to the employee with a copy furnished to the PBA.

4. The resolution of any grievance processed by a bargaining unit member with Association representation shall be in accordance with this Agreement.
5. No more than two (2) Association Representatives shall be present at any grievance hearing.
6. An employee shall have the option of using appropriate procedures pursuant to Florida Statutes or of using this grievance procedure in resolving an issue that falls within the definition of a "Grievance" as contained in Section 26.1 of this Article; however, the employee is precluded from using more than one of the procedures when seeking a resolution to an issue.
7. The Parties acknowledge that multiple grievances may be combined with the mutual agreement of the employer and the PBA. Grievances of a general nature relating to the provisions of this Agreement may be processed directly at Step Two by the PBA

**STEP 4: Arbitration Procedure**

1. If the grievance has not been satisfactorily resolved at Step 3, only PBA may submit the grievance to arbitration, in writing, no later than ten (10) working days after the date the Director of Labor Relations' response is due. A grievance may be appealed to Step 4 - Arbitration by PBA provided timely written notice is given to both the Superintendent and the Federal Mediation & Conciliation Service (FMCS) demanding arbitration of the grievance on a form proscribed by FMCS. Nothing contained in this Article or elsewhere in this Agreement shall be construed to permit the Association to file for arbitration, unless by mutual consent, that has not been processed through this grievance procedure.
2. It is further understood and agreed that the aggrieved employee(s) shall be granted release time to attend formal proceedings, as described herein, which are held during working hours. The agents of School Police and the PBA shall mutually agree on a representative number of employee witnesses to insure a full hearing on the merit of the issues for which said employee witnesses shall be granted released time to testify.
3. At the arbitration hearing, the aggrieved employee shall be accompanied by the PBA Representative. The arbitrator shall render his/her decision no later than thirty (30) calendar days after the conclusion of the final hearing. Such decision shall be final and binding and made in accordance with the jurisdictional authority under this Agreement. Copies of the award shall be furnished to both Parties.

4. Selection: The arbitrator shall be selected and shall conduct the arbitration proceedings in accordance with the rules established by the Federal Mediation Conciliation Service.
5. Powers: The Arbitration Award shall be in writing and shall set forth the arbitrator's opinion and conclusion on the issue submitted.
