THIS AGREEMENT is entered into by and between the SHERIFF OF PALM BEACH COUNTY, FLORIDA, located within the County of Palm Beach, State of Florida (hereinafter referred to as "PBSO"), and the PALM BEACH COUNTY POLICE BENEVOLENT ASSOCIATION, INC. (hereinafter referred to as the "PBA" or the "Association"), as the sole and exclusive bargaining representative of the employees within the certified bargaining units.

It is the purpose of this Agreement to promote and maintain harmonious relations between the Sheriff and the employees within the certified bargaining units; to provide for equitable and peaceful means of resolving grievances which may arise; and to establish fair wages, hours, terms and conditions of employment.

ARTICLE 2 RECOGNITION

The Sheriff recognizes the PBA as the sole and exclusive bargaining agent for the bargaining unit of employees as certified by the Public Employees Relations Commission, Certification #1768, with respect to the working conditions, rates of pay and other conditions of employment for those employees of the Sheriff working within the certified unit, to-wit;

INCLUDED: All classifications listed in Attachment A.

EXCLUDED: All other employees of the Palm Beach County Sheriff's Office, including the classifications excluded as confidential in Attachment B.

No employee covered by this Agreement will be discriminated against by the PBSO because of membership in the PBA, or authorized activity as required in this Agreement on behalf of the PBA.

Section 2.

Both the PBSO and the PBA oppose discrimination on the basis of age, race, creed, color, national origin, sex, handicap/disability, marital status, familial status, pregnancy, sexual orientation, or religion. However, the Parties also recognize that the PBSO has established an internal procedure to investigate and resolve alleged cases of discrimination which is in addition to existing and adequate procedures established by Palm Beach County, the State of Florida and the Federal government. Accordingly, it is agreed that allegations of employment discrimination cannot be processed through the contractual grievance/arbitration procedure.

ARTICLE 4 DUES DEDUCTION

Section 1.

Upon receipt of a lawfully executed written authorization from a bargaining unit member, the PBSO agrees to deduct the current regular association dues on a semi-monthly basis and remit such deductions to the treasurer of the PBA. The PBA will notify the PBSO, in writing, thirty (30) days prior to any change in the regular PBA dues structure. The employer is expressly prohibited from any involvement in the collection of fines, penalties or special assessments and shall not honor any request of this nature other than for association dues.

Section 2.

Any employee may, at any time, revoke his/her dues deduction and shall submit such revocation form to the PBSO Payroll Section with a copy to the PBA.

Section 3.

The PBA agrees to provide necessary Dues Deduction Authorization forms and Notice to Stop Dues Deduction forms for its members. These forms shall be at least 8-1/2" wide and 5-1/2" tall in dimension. The information entered on the forms, with the exception of the member's signature, must be either typed or legibly printed. These forms shall read as follows:

- J. The PBA acknowledges that PBSO may make reasonable amendments, revisions, additions, deletions and/or changes to PBSO General Orders, S.O.P.'s, Rules and Regulations and Policy Statements.
- K. To promulgate reasonable departmental rules and regulations not in conflict with the provisions of this Agreement.

ARTICLE 6

PBA REPRESENTATION/UNION BUSINESS

Section 1.

The PBSO recognizes the right of the PBA to designate PBA representatives as it deems appropriate, with the understanding that representatives will be appointed based on location and shift not to exceed more than three (3) representatives per shift and not more than ten (10) representatives from any one (1) Division and/or from any one (1) specialty unit.

Section 2.

The PBSO agrees to establish a PBA time pool bank to be used for PBA representatives and/or bargaining unit members to conduct union business, as defined in this Article.

Section 3.

PBA members covered by this Agreement shall donate two (2) hours of leave time each year to the PBA time pool bank. The initial deduction shall be made from each member's vacation leave during the first pay period in the month after ratification of this Agreement. In subsequent years, said deduction shall be made from each member's vacation leave during the first week in October. All unused donated time will be carried over from year to year.

Section 4.

Leave time contributed to the bank shall be paid out when used on an hour for hour basis at the rate of the union representatives who use the leave at their hourly rates.

Section 5.

Charges against the PBA time pool shall be documented by the use of a TAMS Overtime Leave Approval Form to be completed for each request. The form shall have the approval of the signatures of the Sheriff or his designee, and the Association President or his or her designee. The above form must be submitted to the Sheriff or his designee a minimum of forty-eight (48) hours prior to the time the employee is requesting to use the time pool bank. Submission made with less than forty-eight (48) hours' notice may be granted at the discretion of the Sheriff or his designee. In emergency situations, approval of time pool use may be obtained through the appropriate Division/Division commander.

Section 6.

The Union President shall be released from duty on a permanent basis to conduct union business. The Union President shall be compensated on the basis of a forty (40) hour workweek. One other Union Representative, designated by the Union President, shall be released from duty on an as needed basis, not to exceed twenty (20) hours weekly, to conduct union business. The Union President and designated Union Representative shall maintain their current pay, rank and time in grade, shall accrue all benefits available to other bargaining unit employees, and shall also be eligible for any promotional examinations as applicable. The President may perform his or her assigned duties upon the approval of the Sheriff.

PBSO shall provide an electronic report of the usage of the union time pool on a monthly basis.

Section 7.

The Union authorizes PBSO Payroll to automatically deduct from the union time pool, the number of regularly scheduled hours in each pay period, unless notified of an exception by the Union.

Section 8.

PBA time shall be included as time worked.

ARTICLE 7
NO SOLICITATION AND USE OF BULLETIN BOARDS

Section 1.

The PBA agrees that there shall be no solicitation of PBSO employees for membership in the PBA, signing up of members, collection of initiation fees, dues or assessments, meetings, distribution of PBA or affiliated PBA literature or any other solicitation activity of the PBA during the working hours of PBSO employees; provided, however, that this Section shall not be construed to prohibit communication of official PBA business to members prior to the beginning of the work shift and after the regularly scheduled work shift and during the employee's meal period. PBA representatives will be afforded ten (10) minutes twice a month to address line-ups.

Section 2.

The PBSO shall permit and schedule thirty (30) minutes for a PBA Representative or designee to address new bargaining unit employees with regard to terms and conditions of employment and PBA membership during PBSO new employees' orientation. The PBA will submit an outline to the Labor Relations Coordinator for approval at least five (5) working days prior to the address. This time period may be waived by mutual agreement of the Parties.

Section 3.

The PBSO, together with the PBA, shall determine the location and type of bulletin boards that may be used by the PBA at the PBSO facilities. The PBA may use the bulletin boards only for the purpose of posting official PBA business notices and related information, and may not use the boards to post political endorsements. No item shall be placed on any PBA bulletin board without being initialed by the PBA President or designee, and reviewed by the Labor Relations Coordinator or designee. All costs incidental to preparing and posting of PBA material will be borne by the PBA.

ARTICLE 8 PROBATION

Section 1.

The probationary period for new collective bargaining unit members may be extended up to an additional six (6) months if additional time is needed to evaluate the member's performance in the position. A written memo which provides the justification for the extension of probation shall be forwarded through and approved by the chain of command, up to and including the Sheriff, before the conclusion of the initial twelve (12) month probationary period. The member shall be provided written notice of the extension no less than thirty (30) days prior to the end of the probationary period, absent exigent circumstances, and shall include the reason for the extension. During the extended probationary period, the Sheriff retains all rights to terminate the employment without cause, without challenge in any forum.

Section 2.

The probationary period for newly promoted members may be extended up to an additional six (6) months if additional time is needed to evaluate the member's performance in the position. A written memo which provides the justification for the extension of probation shall be forwarded through and approved by the chain of command, up to and including the Sheriff, before the conclusion of the twelve (12) month promotional probationary period. The member shall be provided written notice no less than thirty (30) days prior to the end of the probationary period, absent exigent circumstances, and shall include the reason for the extension. During the extended probationary period, the Sheriff retains all rights to return the member to his/her former classification prior to promotion, without challenge in any forum.

Section 3.

The probationary period, and any extension thereof pursuant to this Article, shall be tolled during any time period that the member is on administrative leave, with or without pay.

ARTICLE 9 DISCIPLINE

Section 1.

No bargaining unit member shall be disciplined except for just cause. Disciplinary actions are as follows: training; written counseling; written reprimand; suspension without pay; demotion; and dismissal.

Section 2.

The Parties recognize that the interests of the County and of bargaining unit members' job security depends upon the success of the Sheriff's Office in providing proper and efficient services to the County, and in applying disciplinary measures consistently and even-handedly when the conduct of personnel is inconsistent with such proper and efficient services. In the service of those interests, the Parties recognize the need for progressive and appropriate discipline in order to ensure conduct consistent with established standards reasonably related to bargaining unit members' job performance.

The PBSO administers discipline as a means to ensure that employees adhere to established standards of conduct and performance. This is done through corrective action, described in this Article as "discipline." In those instances where misconduct in the first instance is not extreme or serious, the PBSO is committed to the use of progressive discipline. The use of progressive discipline is an art, not a science. Sound progressive discipline is recognized as being appropriate for the offense and instructive as to the consequences of additional or similar future misconduct. Progressive discipline does not mean that all first offenses must be addressed with written counseling, and that all second offenses must be addressed with a reprimand, and so on. It means that all disciplinary tools and penalties are available to address misconduct not punishable by dismissal in the first instance, and the type of discipline will depend on the severity of the offense, the employee's work record and history, and other relevant factors.

Section 3.

All suspensions shall be effected upon the basis of an eight (8) hour "day." Accordingly, for example, a two (2) day suspension shall mean a suspension of sixteen (16) hours without pay.

If a bargaining unit member works shifts longer than eight (8) hours, any portion of a shift remaining after serving the suspension may be worked by the member, or subject to the member's use of compensatory time or accrued annual leave, at the discretion of the bargaining unit member. For example, if a bargaining unit member works ten (10) hour shifts and is suspended for two (2) days, the member may choose to work the four (4) hours remaining of his shift after or before serving the second "day" of the suspension, or may choose to utilize 4 hours of compensatory time or annual leave in lieu of working said 4 hours. The use of compensatory time or annual leave shall not be denied for the purpose of completing a shift, or portion thereof, remaining as a result of a suspension.

Section 4.

In accordance with the General Records Schedule GS1-SL, non-disciplinary counseling records relating to performance or behavior issues shall be maintained at the Training Division and shall be disposed of after one (1) year.

Section 5.

All bargaining unit members may, upon their written request and the Sheriff's discretion/approval, use their own accrued vacation or compensatory time to satisfy any disciplinary suspension days received.

Section 6.

The burden of proof to sustain a charge of untruthfulness in an administrative investigation shall be clear and convincing evidence.

ARTICLE 10 SENIORITY

Section 1.

Seniority, as used herein, is defined as the right accruing to bargaining unit members through continuous time in grade and classification, while employed by PBSO, which entitles them to certain considerations and preferences as provided for in this Agreement. Seniority is governed by existing law enforcement service agreements, for those bargaining unit members who became employees of PBSO pursuant to said service agreements. Notwithstanding, seniority for shift bids for bargaining unit members who became employees pursuant to a service agreement effective January 1, 2016 or later, shall be based upon the date of hire with PBSO. Seniority shall accumulate during approved absence due to illness, injury, vacation leave, and military leave. Employees on other authorized leave shall maintain the seniority they had when their leave commenced.

Any bargaining unit member, who terminates service with PBSO and is rehired to the same position within a one (1) year period, shall be returned to duty at the same pay grade they held prior to terminating employment. This provision shall not apply to bargaining unit members who have retired and begun collecting retirement benefits.

Section 2.

If two (2) or more bargaining unit members have the same classification date, for purposes of breaking a tie, seniority will be determined by the member's date of hire.

Section 3.

Seniority shall govern the following matters:

- A. Whenever feasible, seniority shall govern in filling shift vacancies.
- B. Whenever feasible and applicable, shift assignments and locations shall be based on seniority bidding. All bargaining members will submit their shift preference prior to November 15th and the new shifts will become effective the first shift schedule in January.
- C. Whenever feasible, seniority shall govern the assignment of days off during each shift change or change in assignment.
- D. Lay offs shall be made in reverse order of seniority.
- E. Employees shall be called back from lay off according to seniority for up to two years.

The Parties recognize that for reasons of operational necessity, seniority shall not be the only factor involved. If seniority does not govern, the reasons will be provided to the affected employees.

Section 4.

Vacation for each calendar year shall be based upon:

- A. Date of Hire
- B. Minimum staffing levels and operational need in Division areas with functional responsibility.
- C. Selections will be made in rounds, and employees shall select one (1) vacation period consisting of contiguous days each round. A round may not exceed two (2) consecutive weeks.

Section 5:

In cases of multiple promotions to identical job classifications on the same effective date, seniority will be dictated by the promotion eligibility list, as they were chosen by the Sheriff.

Section 6.

Notwithstanding Section 1 of this Article, members who have been demoted, or who transfer to another position (whether voluntarily or involuntarily) in a lower paygrade or who lose assignment pay under Article 19 within the same classification and bargaining unit, shall maintain all accrued seniority. This section shall not apply, to transfers between Specialty Units, as defined in Article 19.

Example 1:

Deputy Smith has been a deputy at PBSO for ten (10) years.

Deputy Smith is promoted to sergeant and is on probation as a sergeant for one (1) year.

Sergeant Smith's probation is extended for six (6) months.

Sergeant Smith fails to meet the terms of probation and returns to being a deputy.

Deputy Smith's seniority as a deputy is now eleven (11) years and six (6) months.

Example 2:

CSP Smith has eight (8) years of seniority.

CSP Smith becomes a supervisor.

After two (2) years as a supervisor, Smith is demoted back to CSP.

CSP Smith has ten (10) years of seniority.

ARTICLE 11 COMMUNICATIONS POLICY

Section 1.

The PBA President, or his/her designee, will be placed on the contact list maintained by PBSO's Communications Division and will be notified in any situation in which a bargaining unit member is seriously injured, or any other type of critical incident which also requires the dispatching of the Bureau of Internal Affairs as the result of a bargaining unit member's actions, or when the Sheriff or his designee requests that the PBA be contacted.

Section 2.

In those cases in which a bargaining unit member requests a PBA Representative to respond or to be contacted and the affected party is unable to make such notification, the Communications Division, upon request, will attempt such contact.

Section 3.

The PBA will provide PBSO with the necessary information to facilitate compliance with this Article. The PBA agrees to hold the PBSO harmless for any failure to notify under this Article, and any violations of this Article shall not be subject to grievance and arbitration.

ARTICLE 12 LEAVE POLICY

Section 1.

Leaves shall be in accordance with General Order #208.03, except as modified below.

Section 2.

During the term of this Agreement the following annual leave shall be granted to bargaining unit members for the amount of time of continuous service with PBSO as follows:

- A. All members shall accrue annual leave at the rate of four (4) hours per semi-monthly period, in which a member works in excess of one half (1/2) of the work days or has compensable leave time for that period.
- B. A member will be eligible to use annual leave after the completion of three (3) months of continuous, full-time, creditable employment.
- C. A member shall be granted longevity leave after completing the following years of continuous service. Time will be added to the member's annual leave balance on the anniversary of his or her date of hire or adjusted service date, as applicable.

Years of Service	Hours of Longevity Leave	Years of Service	Hours of Longevity Leave
5	16 Hours	15	64 Hours
6	24 Hours	20	72 Hours
7	32 Hours	25	80 Hours
8	40 Hours	30	88 Hours
9	48 Hours	35	96 Hours
10	56 Hours	40	104 Hours

Longevity leave is credited at the completion of a full year of service. Longevity leave is pro-rated at time of resignation, dismissal or retirement.

Section 3.

Annual leave may be accrued to a maximum of five hundred (500) hours and is payable upon entering the DROP and/or upon separation of employment, unless at the time of entry into the DROP or at the time of separation of employment, the unit member's FRS benefits have been forfeited. If there is an investigation or charges pending at the time of entry into the DROP or at separation which could result in forfeiture of the unit member's FRS benefits, payout of annual leave shall be suspended until a final determination is made as to the status of FRS benefits. Employees who have completed fifteen (15) years of service may accrue annual leave up to a maximum of eight hundred (800) hours.

Should the employee separate employment prior to completing twenty (20) years of service, the total amount of annual leave payable shall be a maximum of five hundred (500) hours. Employees who have completed twenty (20) years of service may accrue annual leave up to a maximum of one thousand (1,000) hours. The total amount of annual leave payable shall be a maximum of eight hundred fifty (850) hours.

The maximums set forth in this section represent the total amount of annual leave payable to the member, upon entering the DROP and separation from employment combined.

Nothing herein shall affect the members' ability to accrue and utilize annual leave while participating in the DROP.

Section 4.

Any bargaining unit member who has sustained a work-related injury and who has vacation time previously scheduled which falls within the period of disability shall be entitled to reschedule the vacation time after return to duty. It is the intent of the Parties that any previously scheduled vacation time falling within a period of disability incurred due to a work-related injury shall not be forfeited or otherwise expended due to the unforeseeable circumstance of the injury.

Section 5.

Each year, all hours in excess of the maximum allowable accrued annual leave as of December 31st, shall be contributed to the Union Time Pool, unless the unit member received prior approval by the Sheriff to carryover excess hours. Payroll will transfer the excess hours to the PBA by March 31st of each year.

ARTICLE 13 SICK LEAVE

Section 1.

Sick leave shall accrue at the rate of four (4) hours semi-monthly.

Section 2.

Subject to Section 3 of this Article, upon retirement or resignation bargaining unit members will be reimbursed for unused sick leave at the member's current rate of pay at separation according to the following schedule:

<u>Years of Continuous Service</u>	<u>Payout</u>
Greater than 5 to 10	50%
Greater than 10 to 25	100% of first 480 and 50% of remaining hours, not to exceed maximum payout of 1200 hours
Greater than 25	100% up to 1450 hours maximum payout

Continuous service shall be defined as continuous paid service with the PBSO and will be computed from the date of hire. Continuous service shall accumulate during FMLA leave, paid sick leave, workers' compensation leave, annual leave and military leave.

Section 3.

Sick Leave accrual will not be paid to unit members who, at the time of separation of employment, have had their FRS benefits forfeited. If there is an investigation or charges pending at the time of separation which could result in forfeiture of the unit member's FRS benefits, payout of Sick Leave shall be suspended until a final determination is made as to the status of FRS benefits.

Section 4.

Use of sick leave shall be monitored for policy violations for a twelve (12) month calendar year. However, a member shall not be disciplined more than once for sick leave days which substantiated such discipline. For the purposes of enforcing sick leave policy violations only, if a member takes sick leave after working more than half of their regularly scheduled shift, such sick leave shall not be considered when determining a violation of the sick leave policy. In addition, members who provide a doctor's note in support of sick leave shall not be considered in violation of the sick leave policy for any sick leave days covered by the note.

Section 5.

Donated sick leave shall continue as it is currently administered in General Order # 208.03, except as modified herein. Any bargaining unit member who is pregnant or who has a catastrophic illness or injury, who has exhausted all current sick and compensatory leave banks, and who has less than 250 hours of annual leave, is eligible to submit a request for donated sick leave.

Section 6.

Bargaining unit members that use sick leave for one (1) shift or less in a calendar year will have eight (8) hours of leave added to the member's annual leave balance. For the purposes of this section, a "shift" shall mean the respective member's full regular scheduled shift.

ARTICLE 14 MILITARY

The PBSO will apply the Military Leave Policy as stated in the PBSO General Orders, and shall adhere to Federal and State law, including the Uniformed Services Employment and Reemployment Rights Act ("USERRA"), as well as Chapter 250, Florida Statutes and §115.07, Florida Statutes, with regard to any Military Leave.

In addition, in accordance with USERRA, PBSO shall not retaliate against any member assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that member is not a service member.

ARTICLE 15 HOLIDAYS

Section 1.

During the term of this Agreement, the PBSO recognizes the following thirteen (13) holidays: New Year's Day, Martin Luther King Jr. Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, Friday after Thanksgiving, Christmas Day, and Two (2) Floating Holidays to be determined by the Sheriff.

Section 2.

Bargaining unit members who work and who are directed to work a designated holiday shall be paid at the bargaining unit member's regular rate of pay for all hours worked on the holiday, plus a full regular scheduled shift of holiday pay at the regular rate of pay or, at the bargaining unit member's option, a full regular scheduled shift of holiday time.

Section 3.

When a holiday falls on a bargaining unit member's regular day off, he/she shall receive eight (8) hours of holiday time or pay. The option is the member's choice.

Section 4.

Holiday time may be accrued to a maximum of 215 hours, and may be used in the same manner as annual leave. Accrued holiday time is payable upon separation of employment, unless at the time of separation of employment, the unit member's FRS benefits have been forfeited. If there is an investigation or charges pending at the time of separation which could result in forfeiture of the unit member's FRS benefits, payout of holiday leave shall be suspended until a final determination is made as to the status of FRS benefits.

Section 5.

ARTICLE 16 COURT APPEARANCES

Section 1.

Any bargaining unit member who is required by the PBSO to appear as a witness in court as a direct result of employment with PBSO shall be entitled to the following:

- A. Regular pay if called to testify during regularly scheduled work hours.
- B. A minimum of three (3) hours if called to testify or appear in court outside the bargaining unit member's regularly scheduled work hours. All such hours shall be calculated as time worked.
- C. Any bargaining unit member who is required to appear more than once during a day will receive an additional three (3) hour minimum as long as the second subpoena requires the bargaining unit member's appearance one hour or more from the release from the first subpoena. If it is less than one hour from the release from the first subpoena then it will be paid as continuous time. This provision is limited to two (2) minimum appearance fees daily. All such hours shall be calculated as time worked.

Section 2.

A bargaining unit member subpoenaed during duty hours to appear as a witness in a case not involving the Sheriff's Office and not directly related to the bargaining unit member's personal or Union affairs, (such as performing a civic duty as a witness to a crime or an accident) will be allowed time off with pay for this purpose. Adequate prior notice must be provided by the bargaining unit member.

Section 3.

Time off to respond to a subpoena to appear as a witness in a case related to a bargaining unit member's personal or Union affairs will be at the bargaining unit member's own expense (vacation or unpaid leave). Adequate prior notice must be provided by the bargaining unit member to his/her command.

Section 4.

This provision shall not apply in those instances when the overtime commences two (2) hours or less prior to, or runs continuously with, the bargaining unit member's regular shift. In such instances, the bargaining unit member shall be compensated for the hours worked at the appropriate rate.

ARTICLE 17
CALL BACK, ON-CALL AND EMERGENCIES

Section 1.

Bargaining unit members who have left the work place and who are ordered or otherwise directed to return to work more than one hour after completing their scheduled shifts, or more than one hour after being released from a call back, shall be paid a minimum of three (3) hours. Bargaining unit members called back to work less than one hour after completing their scheduled shifts shall be paid for all time commencing from the completion of their previously completed shift, except in those circumstances described in section 2. All such hours shall be calculated as time worked.

This provision shall be limited to two (2) 3 hour minimums based on employee's normally scheduled work hours.

This section shall also apply when a bargaining unit member is required to provide a statement to an investigative unit at a time which begins more than two (2) hours before his/her scheduled shift or more than one (1) hour after his/her shift is completed.

Section 2.

This provision shall not apply in those instances when the overtime commences two (2) hours or less prior to, or runs continuously with, the bargaining unit member's regular shift or where the bargaining unit member is called back to work to rectify his/her own error or omission which cannot wait until the bargaining unit member's next shift. In such instances, the bargaining unit member shall be compensated for the hours worked at the appropriate rate.

Section 3.

Bargaining unit members called back to work, who are on authorized leave, shall be paid at the rate of one and one half times the bargaining units member's regular rate of pay for hours worked for a minimum of three (3) hours, and a maximum equal to the number of remaining hours of authorized leave. Such bargaining unit members shall not be charged leave for any such hours worked. All such hours shall be calculated as time worked.

ARTICLE 18
OUT OF CLASSIFICATION PAY

The Sheriff or designee may assign a bargaining unit member covered by this Agreement to serve as temporary replacement for an absent supervisor. If such assignment occurs, the bargaining unit member shall be paid five (5%) percent above his/her current rate of pay for each completed shift worked in the temporary position. It shall be the stepped-up bargaining unit member's responsibility to advise the timekeeper of entitlement to out of classification pay.

Unit members may appeal disciplinary action involving disciplinary suspensions of two days or less through this procedure up to Step 4, but the decision of the Sheriff or his designee at that step will be final and the matter cannot be taken to arbitration. This Grievance Procedure is available to all bargaining unit members regardless of membership in the PBA. However, the PBA is the exclusive bargaining unit representative at PBSO and all grievances must first be submitted to the PBA for review prior to submission of the grievance to PBSO. In the event that an aggrieved bargaining unit member, who is not a PBA member at the time of the occurrence or knowledge of the matter giving rise to the grievance, timely proceeds with a grievance without representation, and the request for representation in arbitration is denied by the PBA on the basis of non- membership in the PBA, such grievant shall be required to pay equally with PBSO half of the arbitrator's fee and expenses and the costs of the transcripts, if any, and towards that end, shall be required to post not less than \$10,000 in advance of the selection of an arbitrator.

Unit members who wish to appeal performance evaluations may informally contest their evaluations by conferring with the next level within the chain of command. Members will be given the opportunity to clarify their position and voice opinions regarding the evaluations, and the reviewing authority may supplement the evaluations, but members shall not be entitled to grieve their evaluations.

Section 2.

In a mutual effort to provide harmonious relations between the Parties to this Agreement, it is agreed to and understood by both Parties that there shall be a procedure for the resolution of grievances or misunderstandings between the Parties arising from the application or interpretation of this Agreement as follows:

Step 1. The Captain/Division Manager shall attempt to adjust the matter

within his/her authority and respond to the party presenting the grievance within ten (10) working days.

- Step 2. If the grievance has not been satisfactorily resolved in Step 1, the PBA representative and/or the aggrieved employee may appeal the grievance to his/her Major/Civilian Equivalent, in writing, within ten (10) working days of the date the response was due in Step 1. - Step 4. If the grievance is not satisfactorily resolved in Step 3, the aggrieved employee or the Association may appeal the grievance to the Sheriff or his designee, in writing, within ten (10) working days of the date the response was due in Step 3. The Sheriff or his designee shall respond in writing within ten (10) working days to the employee and the PBA.

Note: The time limits set forth may be waived only by mutual agreement, in writing, between the Parties. If the PBA fails to advance a grievance within these time limits the grievance will be treated as withdrawn with prejudice. If the PBSO fails to respond to the grievance within these time limits, the grievance will be treated as denied, effective on the date the response was due.

Section 3.

Should the PBSO wish to press a grievance, such grievance must be presented to the PBA for a response. The PBA shall have ten (10) working days in which to submit a written response. The PBSO may appeal the PBA's response to arbitration pursuant to Section 4 of the procedure below.

Section 4. Arbitration Referral

- A. If the grievance is not resolved at Step 4 of the Grievance Procedure, the PBA may, within ten (10) working days of the date the response was due in Step 4, submit a request for arbitration to the Sheriff. In general grievances, either the PBA or the PBSO may request to take the issue or grievance to arbitration.
- B. If the Parties fail to mutually agree upon an arbitrator within ten (10) days after the date of receipt of the arbitration request, a list of seven (7) qualified neutrals from the Federal Mediation and Conciliation Service ("FMCS") shall be requested by either Party, with a copy of the request sent to the other

Party. Within five (5) working days after the receipt of the list, the Parties shall meet and alternately cross out the names on the list, and the remaining name shall be the arbitrator. The Party bringing the grievance shall cross out the first name. Either Party may strike an entire panel. Failure of the Parties to select an arbitrator within thirty (30) calendar days of receipt of the panel from FMCS will be considered a withdrawal of the grievance with prejudice.

- C. The arbitration hearing shall be conducted at either the Sheriff's Office or the PBA on an alternating case basis; the first of which case shall be heard at the PBA.
- D. The hearing on the grievance shall be informal and the strict rules of evidence shall not apply.
- E. The arbitrator shall not have the power to add to, subtract from, modify or alter the terms of this Collective Bargaining Agreement in arriving at a decision of the issue or issues presented, and shall confine his or her decision solely to the interpretation or application of the Agreement. The arbitrator shall not have the authority to determine any issues not submitted.
- F. The decision of the arbitrator shall be final and binding upon the aggrieved employee, the union and employer, except as provided by Florida law.
- G. The arbitrator's fee and expenses shall be borne equally by the Parties, unless otherwise agreed to by the Parties.
- H. Attendance at any arbitration procedure and compensation of participants shall be the responsibility of each side.
- I. The arbitrator shall be requested to tender his/her decision as quickly as possible, but in any event, no later than thirty (30) calendar days after the hearing.
- J. In the case of a grievance involving any continuing or other money claim against the employer, no award shall be made by the arbitrator, which shall allow any monetary payment, damages or accruals for more than five (5) working days prior to the date when such grievances shall have been first submitted in writing.
- K. Upon receipt of the arbitrator's award, corrective action, if any, will be implemented as soon as possible.
- L. If a Party to this Agreement requests a copy of transcripts of the arbitration hearings, the requesting party shall bear the cost of such transcripts.

Section 5.

Where a grievance is general in nature, in that it applies to a number of employees having the same issue to be decided, or if the Grievance is directly between the Union and PBSO, it shall be presented in writing directly at Step 4 of this Grievance Procedure, within fifteen (15) days of the time limits provided for the submission of a grievance in Step 1, and shall be signed by the aggrieved employees and/or the Union Representative on behalf of all PBA members aggrieved.

Section 6.

PBSO agrees to forward a copy of the initial face sheet of internal grievances, when the employee elects not to have Union representation. Upon the Union's request, PBSO will provide copies of all written documents pertaining to the employee's grievance, to the extent authorized by the public records law.

After being informed of the right to review witness statements, a bargaining unit member may voluntarily waive the provisions of this paragraph and provide a voluntary statement at any time.

A dismissal, demotion, transfer, reassignment, or other personnel action that might result in loss of pay or benefits or that might otherwise be considered a punitive measure may not be taken against any bargaining unit member unless he or she is notified of the action and the reason or reasons for the action before the effective date of the action.
2. Whenever a bargaining unit member is subject to disciplinary action consisting of suspension with loss of pay, demotion, or dismissal, the bargaining unit member or his or her representative shall, upon request, be provided with a complete copy of the investigative file, including the final investigative report and all evidence, and with the opportunity to address

the findings in the report with the Agency before imposing disciplinary action consisting of suspension with loss of pay, demotion, or dismissal. This paragraph does not provide bargaining unit members with a property interest or expectancy of continued employment or employment by the Sheriff's Office.

C. RETALIATION FOR EXERCISING RIGHTS.

No bargaining unit member shall be discharged; disciplined; demoted; denied promotion, transfer, or reassignment; or otherwise discriminated against in regard to his or her employment or appointment, or be threatened with any such treatment, by reason of his or her exercise of the rights granted by this Article.

D. LIMITATIONS PERIOD FOR DISCIPLINARY ACTIONS BASED UPON EXTERNAL COMPLAINTS.

1. Except as provided in this subsection, disciplinary action, suspension, demotion, or dismissal based upon an external complaint shall not be undertaken by the Sheriff against a bargaining unit member for any act, omission, or other allegation of misconduct if the investigation of the external allegation is not completed within 180 days after the date the Sheriff receives notice of the allegation by a person authorized by the Sheriff to initiate an investigation of the misconduct. If the Sheriff determines that disciplinary action is appropriate, it shall complete its investigation and give notice in writing to the bargaining unit member of its intent to proceed with disciplinary action, along with a proposal of the specific action sought, including length of suspension, if applicable. Notice to the bargaining unit member must be provided within 180 days after the date the Sheriff received notice of the external allegation of misconduct, except as follows:
 - a. The running of the limitations period may be tolled for a period specified in a written waiver of the limitation by the bargaining unit member.
 - b. The running of the limitations period is tolled during the time that any criminal investigation or prosecution is pending in connection with the act, omission, or other allegation of misconduct.
 - c. If the investigation involves a bargaining unit member who is incapacitated or otherwise unavailable, the running of the limitations period is tolled during the period of incapacitation or unavailability.
 - d. In a multi-jurisdictional investigation, the limitations period may be extended for a period of time reasonably necessary to facilitate the coordination of the agencies involved.

- e. The running of the limitations period may be tolled for emergencies or natural disasters during the time period wherein the Governor has declared a state of emergency within the jurisdictional boundaries of the Sheriff.
- 2. An investigation against a bargaining unit member may be reopened, notwithstanding the limitations period for commencing disciplinary action, demotion, or dismissal, if:
 - a. Significant new evidence has been discovered that is likely to affect the outcome of the investigation.
 - b. The evidence could not have reasonably been discovered in the normal course of investigation or the evidence resulted from the predisciplinary response of the bargaining unit member. Any disciplinary action resulting from an investigation that is reopened pursuant to this paragraph must be completed within 90 days after the date the investigation is reopened.

Section 2.

A.

- 1. When Sheriff's Office personnel assigned the responsibility of investigating a complaint prepare an investigative report or summary, regardless of form, the person preparing the report shall, at the time the report is completed:
 - a. Verify that the contents of the report are true and accurate based upon the person's personal knowledge, information, and belief; and
 - b. That there has been compliance with the provisions of this Article.
- 2. Any PBSO Unit that initiates or receives a complaint against a bargaining unit member must within 5 business days forward the complaint to the Department of Internal Affairs for review or investigation.

B.

- 1. All statements, regardless of form, provided by a bargaining unit member during the course of a complaint investigation of that bargaining unit member shall be made under oath pursuant to s.92.525.
- 2. Knowingly false statements given by a bargaining unit member under investigation may subject him or her to prosecution for perjury. If a witness to a complaint is incarcerated in a correctional facility and may be under the supervision of, or have contact with, the bargaining unit member under investigation, only the names and written statements of the complainant and nonincarcerated witnesses may be reviewed by the bargaining unit member

under investigation immediately prior to the beginning of the investigative interview.

- C. A bargaining unit member has the right to review his or her official personnel file at any reasonable time under the supervision of the designated records custodian. A bargaining unit member may attach to the file a concise statement in response to any items included in the file identified by him or her as derogatory, and copies of such items must be made available to the bargaining unit member.

Section 3.

When feasible and to the extent provided by law, the Sheriff agrees to follow the State retention guidelines as set forth in General Records Schedule GS2.
