

We lost two of our brothers and have another fighting for his life. We continue to pray for our fallen deputies, the one fighting for his life and their families.

Many of our brothers, sisters and members of the community have asked how they can donate to cause.

By following the link you'll be able to donate directly to the Palm Beach County PBA Charity Fund (a 501(c)(3) Fund) and all the donations will go to the deputies and their families.

Please follow the link below and pass the information along.
